## About Us

Centennial College is Ontario's first public college, with five campuses in Toronto, Canada. Centennial offers high-quality Canadian education that is hands-on, and employment focused. Programs at Centennial promote experiential learning with laboratory instruction, co-op education, and industry placements. Many Centennial programs offer Canadian work experience and provide eligibility for designations from Canadian professional associations.

**Centennial consistently ranks #1 in Toronto for student satisfaction!** With seven specialized academic schools, Centennial offers more than 160 programs in Business, Engineering Technology and Applied Science, Communications, Media, Arts and Design, Community and Health, Hospitality, Tourism and Culinary Arts, and Transportation.

**We work with over 800 industry partners!** You'll have opportunities to work with the best and the brightest of Canada's corporate players, maybe even landing a placement with companies like Google, Bombardier Aerospace, Samsung, or Ford. Among 125 public colleges, Centennial ranks second in Canada for the number of students employed and paid to conduct applied research.

**You belong here!** Centennial is the #1 college choice for international students in Canada.

**Over 1,000 Pathways!** Centennial offers 367 Degree Pathways and 40 Master's Degree Pathways with partner universities in Canada, USA and abroad.

**Are you seeking a global experience?** Centennial offers many types of international learning opportunities such as international internships, semester exchanges, faculty lead international programs, global citizenship experiences, and conferences and competitions abroad.

Centennial College is an approved government institution for Canada's Study & Work Programs. Graduates may be eligible to apply for a post-graduation work permit for up to three years!

## Additional Information

Centennial College ensures a high standard of education, offers incredible diversity, co-op, and industry connections. Centennial international students gain opportunities to work in Canada and enjoy being part of a safe city and friendly community.

Centennial programs are **shorter, hands-on**, and most importantly, **employment focused**, compared to traditional *research and lecture*-based university programs. Many Centennial programs offer co-op opportunities, which are paid work terms at industry placements. Students gain valuable work experience in their field, and many students are offered full time employment by their co-op employer after graduation.

**Competitive Centennial Colts sports teams** include Soccer, Hockey, Badminton, Volleyball, Basketball, Baseball and Cross Country. Our campuses feature gyms, squash courts, indoor tracks, a climbing wall, cardio fitness areas, and aerobic studios.

**Centennial hosts over 11,000 international students from 126 countries!** International Student Advisors and Immigration Consultants on campus make it easy for international students to get expert advice. Centennial's popular International Student Ambassador Program also supports international students. More than 500 Ambassadors connect newcomers with strong peer and community support.
